Dear Fellow Breeders,

It is with both pride and enthusiasm that we invite you to the 14th edition of the Great American Pie Sale. Over the years, this event has become known as a solid source of Fullblood, Purebred and Lim-Flex genetics.

The membership of both of our organizations have dug deep into their respective herds to bring you the kind of cattle they would rather keep. Whether you are searching for females, bulls or genetic opportunities, we believe this year's offering truly offers something for everyone.

We ask you to come early and participate in the variety of events surrounding this sale. Regardless of which state you reside, you are most welcome be a part of our dynamic organizations.

We hope to see you April 13. If you should have any questions or comments regarding the sale offering itself or any of the events surrounding it, feel free to contact us directly.

Sincerely,

Shaun Edwards MLBA President 660.441.0811 elitelimousin@gmail.com	Josh Glendenning HMLBA President 417.664.0913 joshglendenning4@gmail.com

**PIE SALE** 

Limousin Enthusiasts,

Welcome to the 14th Annual Great American Pie Sale, April 13 at the Laclede County Fairgrounds in Lebanon, Missouri.

It is my pleasure to be associated with this fine group of Limousin seedstock producers in Missouri and surrounding states. The Southwest region of Missouri has long been a hotbed for outstanding Limousin genetics, and we feel this offering is representative of the dedication breeders in this area have made to the breed of cattle.

We have worked hard to assemble an outstanding assortment of Fullblood, Purebred and Lim-Flex genetics for the most discerning cattleman. As you study this catalog, you will find some of the most unique and diverse genetics available within the breed.

If I can be of any assistance, please don't hesitate to contact me.

Sincerely,  
Kiley McKinna

# SPRING BREDS & SPRING PAIRS

## LOTS 1-56

What a way to kick off The 14th Annual Great American Pie Sale. Breeders from Missouri and surrounding states have assembled an extremely well-bred, functional group of spring bred females and spring pairs for your appraisal. Not only do their pedigrees contain many of the most popular sire and dams in the industry, the service sires to these females, and the sires of their babies at side, are among the best in the business. The factories contained here can take your program to the next level.

OFFERED BY: **PINEGAR LIMOUSIN**

Due 4/23/19 to MAGS Aviator (HB, HP)

It's hard to know where to start when describing this phenomenal black, polled 68% Lim-Flex spring bred female. From a pedigree standpoint she boasts sires and dams of distinction up and down both sides of her pedigree, beginning with her sire, the wildly popular AI sire of both performance and phenotype, MAGS Ali. On the bottom side is none other than one of the greatest purebred donors to exist, MAGS Manuela. Her influence and revenue generating power is among the all-time greats in the breed. Phenotypically, this female is solid from the ground up while displaying ample muscle, a level top and a sweeping ribcage. On paper, she projects to add breed-leading genetics for weaning weight, yearling weight, scrotal circumference and carcass weight. The icing on the cake is her service to MAGS Aviator, one of the most popular Lim-Flex AI sires in the breed today. All the parts and pieces are in place, giving every indication that AUTO Ebony 202E is destined to become a dominant force in the pages of Limousin history.

She is moderate framed and sound structured with a good milk delivery system while being big volumed with a quiet disposition and well balanced EPDs. She is in top 35% or better for WW, YW, TM, CW and \$MTI. She showcases a heifer by the MAGS Y-Axis son, JNKL Christian 557C, who is from our top quality VLVS Wolf Track daughter.

## LOTS 26-36

Lebanon cattleman Terry Graven has spent the last couple of years growing his herd and in the process, amassing an impressive set of production females with a solid combination of pedigree, phenotype and EPDs. The next 11 lots are examples of the uncompromising quality he set out to obtain. But as those of us in the cattle business know, you can't keep them all, which makes this a truly unique opportunity to settle in and put together an impressive load of 3-year-old spring bred females that have the proven potential of elevating an existing program or spring-boarding a new enterprise. Bid with confidence as these kind of female don't come along at auction every day.

LOT 37A: JNKL 909G, a 2/11/19, polled, homozygous black, purebred bull by LFLC Denver 857D. BW: 80 lbs.

This attractive 3-year-old daughter of GV X-Man 701X comes from one of our best foundation Lim-Flex cows, the product of Conneally Reflection and JCL Lodestar. She is made right in her phenotype, has an extremely quiet disposition, is sound footed, soggy in her middle with nice udder/teats and getting ready to hit her stride as a genetic factory. At 75% Limousin, she is capable of breeding for either purebred offspring or Lim-Flex genetics. She is Homo Black and double polled, with an exceptionally well balanced genotype (notice 11 traits in the top 35% EPDs). Her bull calf by LFLC Denver 857D possesses herd sire potential.

OFFERED BY: ELITE LIMOUSIN

A tremendous 3-in-1 package starts this impressive portion of the sale. AUTO Frankie 435A is a homozygous polled Ypsilanti daughter who is doing a bang up job of raising Lot 57B, MECC Fiona. This combination by itself would be worthy of starting most sales. Now take a closer look at Lot 57A. Here is a true sale highlight and the chance to invest in championship genetics. The dam of the embryo this registered recipient is carrying is a former National Western Stock Show grand champion female. AUTO Mabelline is sound structured, bold ribbed, attractive patterned and proven to produce at the highest level. The sire of the embryo, AUTO King James 162Z, is a prized descendant of the Luckie cow family made famous in the Pinegar program. This combination of elite parentage promises to produce attractive made, sound structured progeny that are good numbered and capable of standing extreme competition in the show ring.

Sells bred to FWLY Purple Haze 742E. Called 45 days safe 3/20/19.

If you demand rib and muscle in your cowherd, this female fits the bill. Visually, she impresses us with her tremendous rib shape, linear depth, internal dimension and expression of muscle down her top and through her stifle. Numerically, she posts well balanced figures that will take any program in the right direction. She sells bred to FWLY Purple Haze, who is a full sib to the successful show female FWLY Purple Ribbon. This full sister was the champion purebred female at the 2017 National Junior Show and the grand champion in both the open and junior show at the 2018 National Western. This genetic combination is sure to create a visual masterpiece.

**OFFERED BY: GARRISON LIMOUSIN**

A paternal sib to Lot 92 and every bit as valuable as a breeding piece, LVIE Winter's Touch, is a direct descendant of a Coscia-bred female who traces back to breed legend, LB Cold Cash.

# BULLS

## LOTS 94-111

This year's contributors held nothing back in terms of bringing their best. Fresh pedigrees, impressive performance and EPD figures, along with eye-pleasing phenotype, combine to make this set of bulls a top-quality set of genetics for both the seedstock producer and discerning commercial cow-calf man.

OFFERED BY: GRANDVIEW ACRES LIMO FARM

This well-developed, 18-month-old is a major-league herd-sire prospect. Both his sire, TMCK Architect, and maternal grand sire, MAGS Xukalani, are well known AI sires within the breed, giving him the genetic backing necessary to become an elite producer in his own right. Given his unique combination of easy calving and high growth, he should make your calving season easier without sacrificing performance at weaning. Study his EPDs closely as he ranks in the top 35% or better for 10 economically relevant traits. Phenotypically, he travels effortlessly on a sound undercarriage, while displaying a level top, ample muscle and rib shape. One of the best herd sires to sell this spring, you can either own him April 13 or purchase semen on him at a later date.
