17th Annual *Great American Pie Sale*

Dear Fellow Breeders,

It is with pride and enthusiasm that we invite you to the 17th edition of the Great American Pie Sale. Over the years, this event has become known as a solid source of Purebred and Lim-Flex genetics.

The membership of both of our organizations have dug deep into their respective herds to bring you the kind of cattle they would rather keep. Whether you are searching for females, bulls or genetic opportunities, we believe this year's offering truly offers something for everyone.

We ask you to come early and participate in the variety of events surrounding this sale. Regardless of which state you reside, you are most welcome be a part of our dynamic organizations.

We hope to see you May 7. If you should have any questions or comments regarding the sale offering itself or any of the events surrounding it, feel free to contact us directly.

Sincerely,

Nathan Hunt

Limousin Enthusiasts,

Welcome to the 17th Annual Great American Pie Sale, May 7 at the Exchange at Wall Street Cattle Co. in Lebanon, Missouri.

It is my pleasure to be associated with this fine group of Limousin seedstock producers in Missouri and surrounding states. The Southwest region of Missouri has long been a hotbed for outstanding Limousin genetics, and we feel this offering is representative of the dedication breeders in this area have made to the breed of cattle.

We have worked hard to assemble an outstanding assortment of Purebred and Lim-Flex genetics for the most discerning cattleman. As you study this catalog, you will find some of the most unique and diverse genetics available within the breed.

If I can be of any assistance, please don't hesitate to contact me.

Sincerely,
Kiley McKinna

GENETIC OPPORTUNITIES

The genetics offered in this section of the sale are the kind capable of bolstering an already established program or can serve to jump start an up-and-coming seedstock operation.

The sires and dams available through these genetic packages represent the best the breed has to offer and will no doubt result in the next generation of elite Limousin genetics.

Lot 1

PICK OF 2021 SEPTEMBER & OCTOBER CALVES

OFFERED BY: GLENNING J BAR J

When opportunity knocks, open the door. In this case, if you are serious about taking your breeding program to the next level, you will want to be on the winning side of the last fall of the gavel. Glendenning J Bar J Ranch is presenting the opportunity to have first pick of their 2021 September and October calves.

On the sire side, the Glendenning program has one of the stoutest bull line-ups in the business including sires such as: Wulfs Emprize, J Bar J Flintrock, B-Bar Serratelli, JYF Edmonton, WZRK Game Changer, L7 Humdinger and WFL Hook Up. The female side of the equation is just as impressive, consisting of household names such as: TMCK Foxtrot 569F, AUTO Folly 284F, JONK Poll Unique, Highland Zinnia and Limolyn Xilda.

The Glendenning program is synonymous with raising Limousin and Lim-Flex cattle that are functional in any environment. Cattle carrying the GLDL prefix balance phenotype and genotype that results in bulls and replacement females capable of anchoring the most progressive programs. This fantastic opportunity is yours for the taking May 7.

OFFERED BY: LINHART LIMOUSIN

Due September 1.

Sells with commercial recipient.

This is a HUGE opportunity! This pregnancy is a full sibling in blood to one of the hottest bull's in the breed—CELL Envision. Here's your chance to capitalize on a tried-and-true mating. With double-digit calving-ease direct and top ranking weaning and yearling weight EPDs, balanced with plenty of milk and loads of ribeye and marbling, you've got a calf that will be a game changer. Not to mention, the calf will be homozygous polled. The sire of this mating has 181 progeny recorded at NALF, which only enhances the value of this September calf. The Envision cattle, be it herd bulls or potential donor females, have been some of the most sought after genetics in the breed the last several years. When it comes to proven, profitable genetics, it simply doesn't get any better.

SEEE Hocus Pocus is a female we think highly of and is one to get excited about. Talk about an eye-catching, maternal, productively designed female. She is extended through her front one-third, clean in her lines, sound on the move and carries natural rib dimension. This female was successfully campaigned by the Hennessy family of North Dakota, claiming the titles of Supreme Champion Female at the 2021 North Dakota State Fair, Supreme Champion Female at the 2021 AKSARBEN and Grand Champion Female at the 2022 NWSS. Her sire is the great AUTO Power Plus 133B who transmits standout phenotypes consistently. Her dam is the great purebred donor AUTO Lucky III 210B, the WLR Direct Hit daughter out of TYEJ DB Serenity. Here is a unique genetic opportunity to either IVF cycle or conventionally flush SEEE Hocus Pocus to the bull of the buyer's choice.

Selling a flush to the bull of the buyer's choice.

Guarantee a minimum of 5 embryos with a maximum of 10.

Buyer pays flush expenses. Buyer supplies semen.

We believe this red purebred female that we procured from Canada is truly special. She is sired by the popular purebred AI sire LFLC Bank Account 701B. Her powerful dam is the daughter of the widely popular Cottage Lake Border Agent. Boss Lake Ms Molly 814F had an extremely successful Canadian show ring career for Boss Lake Genetics. She was undefeated in the Limousin division and claimed multiple supreme victories. We think highly of this young donor and feel the potential mating possibilities are endless. Boss Lake Ms Molly 068H was campaigned by the Hennessy family of North Dakota, and attracted the attention of many when she competed in the National Junior Show this summer. Here is a unique genetic opportunity to either IVF cycle or conventionally flush Boss Lake Ms Molly 068H to the bull of the buyer's choice. SPRING BREDS & PAIRS

Breeders from Missouri and surrounding states have assembled an extremely well-bred, functional group of spring bred females and spring pairs for your appraisal. Not only do their pedigrees contain many of the most popular sire and dams in the industry, the service sires to these females, and the sires of their babies at side, are among the best in the business. The factories contained here can take your program to the next level.

OFFERED BY: GARRISON LIMOUSIN & WULF CATTLE

There is only one each year and this year Wulfs Hat Trick 7183H was the one— The Top-Selling Lot at the annual Wulf Cattle Production Sale. Hat Trick combines a notable pedigree, a balanced EPD profile and eye-catching phenotype. This herd sire should sire fast-growing calves, indicated by his 205-day-weight of 764 lbs. to ratio a 116 in a large contemporary group of 291 head. This growth could be predicted by his ranking in the top 1% for weaning weight and top 2% for yearling weight. Continue to study his GE-EPD profile and find that he ranks in the top 1% for total maternal, top 1% for scrotal circumference, top 10% for marbling and top 3% for mainstream terminal index. He is sired by Wulfs Cobra 2662C who has done an excellent job in the Wulf program. One of Cobra's most notable progeny is the highly regarded Wulfs Genius 5293G, who was a top-selling lot in the 2020 Opportunity Sale. Hat Trick is out of a beautiful-patterned HUNT Credentials 37C daughter that traces back to the great Canadian import donor, Pinnacle's Work of Art. This exceptional female was on the shortlist for the Wulf embryo transfer program prior to her untimely death. Phenotypically, Hat Trick is heavy structured and level topped with extra muscle expression and one of the largest scrotal measurements Wulf's have ever recorded on a purebred bull! When set into motion, he is free moving off both ends of his skeleton and sets down on a large foot with excellent conformation. Don't miss out on the only chance in 2022 to invest in this remarkable individual. He will predictably advance your breeding program to new heights.

What's not exciting about this opportunity? You have a homozygous black, 78% Limousin bull with a pedigree made for the decades. This young up-and-coming herd sire offers a world of possibilities. His sire, ELCX Kings Landing, is a past national champion and MOE Gold Medal bull who has sired some breed-leading progeny. His progeny include the 2021 National MOE Silver Medal Female, DL Hush Money 502H who racked up a ton of banners during her show career including grand champion honors at the 2021 National Junior Show and the 2022 Cattleman's Congress Open Show. A son of Kings Landing, ELCX High Time 065H enjoyed much success in the show ring as well including winning grand champion honors at the 2021 Great Northern Livestock Expo and the Supreme bull title over all breeds at the 2021 Kansas State Fair. His dam, CFLX Katie 184Y, comes from powerful parents and grand parents on both sides. Get on board with the cutting-edge opportunity on this young sire. You won't be disappointed.
